Looking for you (66 bpm)

Todo el tiempo A y G salvo en el puente.

(Intro; punteo en arpeggio)

(Estrofa)

In my dreams..., that's where I find you and I don't want to wake
It's been few years... I want to tell you my life is not the same
and I think... If you wonder about me as often as I do my dear
if I could know... but I can't find you... I'm looking for you!
I'm looking for you!
I'm looking for you!

(Estrofa)

I thought I saw you having beers and a dance in a bar that night
my heart almost broken started to work strong as the sun
i get closer, touched her back turned away and looked me in the eyes
but it wasn't my girl, so I'll keep looking... I'll be looking for you!
I'll be looking for you!
I'll be looking for you!

and now... I think I'm dying again... I was looking for you
I was looking for you
I was looking for you
